Mrs. R. E. Lynch was a Sonoma visitor to Santa Rosa last Saturday.

Leon Mouyer visited friends in Berkeley the fore part of the week.

A large crowd took in the movies at the El Verano theatre Sunday evening.

Thos. Corcoran, a prominent politician of San Francisco, registered at the Bellevue Hotel last Sunday.

Miss A. Armstrong, a charming young lady of San Francisco, is spending a week at the Bellevue Hotel.

The Seals are beginning to win and it now looks like they will bring the pennant to Boyes next spring.

Twenty-five carloads of fine beef cattle consigned to Noonan's meat market, Santa Rosa, passed through here from Nevada last Friday evening.

Wm. J. Cummings, traveling agent of the Northwestern Pacific Railroad Company, passed through here Saturday evening en route to Santa Rosa.

Geo. McNab of Sonoma boarded the train here Sunday en route to Santa Rosa, where he umpired the ball game between the Glen Ellen and Santa Rosa teams.

A. Childs, formerly President of the El Verano Batchelor's Club, was here Sunday from she metropolis with a view of reorganizing this famous club the coming summer.

Jep, the ice man of Sonoma, is one of the many names which we noticed on the program for the "farmer's" dance at Charley Miller's Villa. In picking the ice man for a farmer the management made no mistake.

Billy Block of Vineburg passed through here Sunday bound for Santa Rosa to play ball with the Glen Ellen team. Billy, with his brown suit, dinky cap and latest boots, must have made a hit with the Santa Rosa belles.

Great interest is being taken here in the twenty-round boxing contest at Daly City next Saturday between Ad Wolgast and Harlem Tommie Murphy. A number of bets have been made in this place and according to the dope sheet Wolgast, being much younger and having trained right, should end the battle before the fifteenth round.

James L. Healey, the well known conductor of the Northwestern Pacific railroad, has been promoted to the position of trainmaster on that road, vice Hugh Williams, resigned. Mr. Healey has a large number of friends throughout the Sonoma Valley who will be pleased to know that he is making good in railroad circles. He formerly resided in Glen Ellen

Among those who were attortive spectators at the ball game at Boyes Park last Sunday were Dr. Thomson and attorney Frank Sprague of Sonoma. Art Hickman manager of amusements, was also there with his tan boots and appeared to like the going. Chas. La Torres and B. F. Pinder were also interested spectators from the Bear Flag town. While Joe B. Small was missed in the gallery a number of others were there and liked the game.

Mrs. Wm. Minkel spent Saturday with Mr. and Mrs. Mont Akers of Schellville.

Jake Steckmeyer, a local angler, got the limit of trout, in a day's fishing, last Friday.

Sam Stahl, bus driver for Cantor's Villa, was sight-seeing in the metropolis the latter part of last week.

T. H. Baines, a well-known business man, transacted business in San Francisco last Friday and Saturday.

John Serres, manager of the Hotel Depew, San Francisco, was here the latter part of last week visiting relatives.

Phil. Rossi, the popular proprietor of the Swiss-American Hotel of this place, is making many improvements to his summer resort, among them being a number of neat cottages.

The infant daughter of Mr. and Mrs. Joseph Sorini was baptized in St. Francis Church last Sunday by the Rev. Father Comerford. The little one was named Charlotte Josephine. The sponsors were N. Margentino and Mrs. Wm. Wyatt of El Verano.

The entertainment given by the members of the El Verano Development Association last Thursday evening in their hall here drew a crowded house. Albert Block and Larry Larsen, the two principal entertainers, kept the house in an uproar and acted like old-time professionals. F. Joost gave a 'cello solo, Tim O'Halloran made a speech and Harry Baines was master of ceremonies. Many others were on the program.

A runaway took place Thursday near Verano. While Miss A. Mannuck and her mother were driving toward this place one of the lines slipped from the young lady driver's hands, and losing control of the animal it bolted and ran away. Both ladies were thrown headlong over the dashboard of the buggy and under the animal's feet. Remarkable to relate both escaped injury. The horse then collided with an electric light pole, smashing the vehicle and leaving it behind with the exception of the shafts and dashed into town at break-neck speed, and was brought to a halt by D. F. Crane.

Everybody hereabouts is complaining of business being dull and say it is not half as good as it was in April of last year. If the truth be told this is all on account of our saloons being closed by the Prohibitionists, and if steps are not successfully taken to reopen them very soon Sonoma Valley as a summer resort will soon be a thing of the past. Already the business blight is beginning to touch the pocket-books of many of those who were howling against the saloons when times were prosperous and voted to put them out of commission. These, seeing their mistake, are now howling the other way, and would like to see the saloons reopened. The agitators have got things into a pretty mess in this valley and not one bit of good have they accomplished since they started in to "improve the morals of the valley," and it is high time that these mischief-makers leave the Board of Supervisors to adjust conditions here without their interference. The Supervisors ought to get wise and not let a few venomous agitators down this way influence them.

Miss Brenhocker of New York City is the guest of her folks here.

Mrs. T. O'Connor of Santa Rosa is a guest at the Murray residence.

Mr. and Mrs. R. J. Dowdall are spending the week at Dillion's Beach.

J. Harry Weise passed through here last Saturday en route to Schellville.

Mr. and Mrs. Grannini and son of San Francisco are registered at the Helvetia Hotel.

Dr. Summerfield of Santa Rosa came down on Friday afternoon's train en route to Sonoma.

Joe Garoni, a well known hotel man of Agua Caliente, was at the county seat Friday.

Chas. Danieli, Frank LaFranchi and Louis Martin drove to Santa Rosa Friday on business.

Chas. Potter, Roadmaster, and Deputy Sheriff Joe Ryan of Sonoma were here last Friday on official business.

Heine Brunner of Sonoma has accepted the position of bus driver at the El Verano Villa for the summer season.

H. H. Granice autoed through here last Saturday with a lady friend. There is some class to the Sonoma Index-Tribune's editor.

The management of the Boyes Springs ball park advertisement of their ball game Sunday in the Index-Tribune is the real thing. Advertise in a live paper and you will sure get the crowd.

The Misses Kenyon drove their handsome new Kissel Kar through town the fore part of the week. It was recently purchased from the Houts Auto Co. It is a five-passenger machine, painted in a battleship gray and it set the town afire as it speeded through here.

Howard Gregory, crack pitcher for the champion Oakland team, visited his ranch near here Monday. Gregory, during his short stay, dropped into town and was warmly greeted by his many friends and admirers here, who congratulated him on his good ball twirling. The famous pitcher said that the Portlander's were the hardest team to beat of all those opposing the champion Oaks for the pennant. He returned to the metropolis Tuesday morning to resume his duties on the diamond in first-class shape.

A large crowd of baseball lovers assembled at Boyes Springs ball park Sunday to witness the game between Brick Devereaux's Colts of Vallejo and the Boyes Springs ball team. The game was one of the best ever seen on the new ball grounds. Baseball fans from Vallejo and surrounding towns came in automobiles to witness the game. The players were cheered for their good work throughout the game. Brick Devereaux was more than pleased with his team after the two-week's training at the famous springs. The score stood 6 to 0 in favor of the Vallejo's at the end of the ninth inning.

While two of our rising young ball players were warming up a bit in front of Mullen's store, one day this week, one of them managed to twist a curve through one of the large show windows of the store. They then took to their heels and after running about a hundred yards they were pursued and captured behind a near-by barn. Shivering with fear the offenders pleaded with the owner for mercy. The boys then paid the damage, which amounted to just $3.25, which one of them claimed would have kept him all summer in this town.

The big excitement last Thursday occurred near the J. K. Bigelow ranch when the political steam roller that has been doing work on the county roads in this vicinity under Supervisor Weise's administration was being taken to Glen Ellen under the direction of roadmaster Serres and his assistant, Albert Rossi. As they neared the Bigelow ranch the team attached to the county gravel wagon hearing the giant steam-roller machine snorting and puffing became frightened and ran away. Frank Weaver, seeing the runaways coming toward him attempted to head the frantic animals off and stop them. He grabbed the bridle of one of the runaways which stepped on his right foot, pulling his shoe off. He then let go of the animal, rejoicing that his leg was not taken off with the shoe. Later on the runaways were stopped near the Morris ranch. Ollie Johnson, foreman of the Eaton & Toy ranch, was driving along in a cart about the time all this was happening, and when the monstrous machine hove in sight the horse he was driving, with a snort of of terror, leaped high in the air and fell dead in his tracks.

Edward Faithful visited in Santa Rosa Saturday between trains.

Frank Carter transacted business in Napa one day last week.

L. Lamotte transacted business at the county seat one day last week.

Pop Hebbard, a well-known Sonomaite, was in town on last Tuesday.

Albert Rossi was sight-seeing in the the City of Roses on Sunday evening.

Mrs. C. L. Lourey has returned from an extended visit in Rumsey, California.

Louis Bernzaft of chicken town was in San Francisco the fore part of the week.

Miss Nellie O'Brien was here last week from San Francisco transacting business.

H. Koerner, proprietor of Oak Grove, was in the bay city several days last week.

Mr. and Mrs. Fred Offerman of San Francisco are registered at the El Verano Villa.

Gee. Fitzpatrick, a San Francisco chef of note, has accepted the position as cook at Crane's Hotel for the summer season.

Do you read the Index-Tribune? If you don't, get the habit. It is one paper in Sonoma Valley that gives the latest news. Subscribe for a live weekly paper at once.

The El Verano grammar school reopened Monday, a large attendance being present. It is said that a new room will have to be added as new scholars are making their appearance each week.

Among the prominent citizens who went to the county seat on Friday morning's S. P. train were Press Davis of Sonoma, John Serres and Paul Vannucchi of El Verano and Jack Kelly of Boyes Springs.

Thomas Morris, manager of the Palm Hill Pheasant Farm at Agua Caliente, shipped a pair of ringneck pheasants to Watts, California, one day last week, via the S. P. Co. The pheasant is a pretty bird and Mr. Morris has a great number on his farm, it being a new industry in Sonoma Valley.

MEET AND DISCUSS SONOMA CANNERY PROPOSITION.

A Representative Gathering of Citizens Take Preliminary Action to Secure Site for Cannery Plant

At a mass meeting of citizens held in the City Hall last Tuesday evening, F. T. Duhring presiding, the proposition of Mr. T. A. Van Gundy, an experienced cannerymman of St. Helena, to establish and operate an up-to-date fruit and vegetable cannery in this city was favorably received.

In brief the proposition submitted to the meeting is this: The citizens of Sonoma and vicinity to donate a two-acre tract of land facing the Northwestern Pacific railroad tracks for a cannery site, upon waich Mr. Van Gundy will erect buildings and install therein the necessary machinery to operate the cannery, the land to be deeded to him after the plant has been in operation for five years, otherwise it will revert to the donors.

The proposition being approved by those present without exception the matter of a site for the cannery then came up for discussion. Three sites facing the railroad tracks were discussed and as each had its advocates the following committee was chosen to select the location: A. W. Adler, F. W. Dobbel, R. L. Watt, C. Soderberg and Chas. Dal Poggetto.

The following committee on finance and subscription was also appointed: N. J. Heggie, O. R. Wagner, H. F. Bates, W. J. Clements and Chas. Cutter.

The meeting then adjourned to meet to receive the report of the site committee.

COMMITTEE DECIDES UPON THE LOCATION.

The committee appointed to select a site for the proposed cannery got down to business Wednesday morning and decided to locate the cannery on a five-acre tract of land offered by Mrs. R. J. Snyder located on the north side of the railroad track a short distance east from the Sebastiani winery. Of the five acres selected Mrs. Snyder donates two acres and disposes of the remaining three for $600.

The committee has made a good selection as the site is right and so is the price.

A Resolution that Should be Rescinded

At the February meeting of the Board of Supervisors, a resolution was passed limiting the number of retail liquor licenses in this valley between Eldridge and Schellville to eleven.

This resolution was passed by the Board on account of misrepresentations made to its members by certain parties from Sonoma and vicinity, claiming to be reformers, but who in reality are mischief makers governed by a mean and vicious spirit to put certain reputable hotel men in Sonoma Valley out of business. But, however that may be, the mischief was done and it is now up to the Board of Supervisors to rectify their mistake by rescinding the harmful resolution when the petition signed by many prominent citizens of both town and valley will have come up for a hearing on May 8th.

Sonoma Valley is essentially a summer resort for those seeking rest and recreation from the overcrowded cities, and its future prosperity depends in a great measure in encouraging the maintenance in our midst of reputable hotels and bathing establishments to accommodate all comers. Therefore we say, that the resolution restricting these to eleven is not only unfair to many reputable resort keepers in this valley who have invested the savings of years in their places of business, but is harmful to every business man in the valley, agitators and fanitical reformers to the contrary notwithstanding.

The Cannery Proposition

The cannery proposition of T. A. Van Gundy looks good to us, and we have no hesitancy in saying that it should receive the hearty support of every farmer and business man in Sonoma and vicinity.

First—The establishment of a cannery in Sonoma will give remunerative employment a portion of the year to our boys and girls.

Second—It will encourage the planting of small vegetable gardens and fruit orchards, which will have a tendency to increase the population and wealth of this section of the valley.

Third—Mr. Von Gundy's proposition is not only a fair one but a liberal one as well. All he asks is a two-acre site facing the tracks of the Northwestern Pacific Railroad. As such a site cannot possibly cost more $600 or $800 and it will not revert to him until he has successfully operated his cannery plant for five years it can readily be seen that he takes all the risks while Sonoma will receive much of the benefits.

Now, these three counts ought to appeal to every progressive citizen in our midst and knowing the people of Sonoma as well as we do we have no hesitancy in saying that they will readily donate the small sum of money asked to assure to Sonoma an enterprize that will prove beneficial alike to both the farmer and the business man.

The Sonoma Mission.

A bill has been introduced into the Legislature by Assemblyman Slater, with the approval of the State Board of Control, asking for an appropriation of $2,000 to complete the restoration of the old Mission San Francisco de Solano in this city. The bill ought to pass, as the ancient and historical buildings were only partially restored on the appropriation of $5,000 by a previous Legislature, and as it will require only $2,000 additional to fully restore the buildings the appropriation ought to pass both Houses of the Legislature without a dissenting vote.

The Bonded Warehouse and Congressman Curry

Congressman Curry of the Third District, who has been interesting himself to prevent the abolishing of the United States bonded warehouse in this city, writes under the date of the 12th inst., that he has been assured by James F. Curtis, Assistant Treasurer in charge of Internal Revenue, that the warehouse will be continued and the question is now closed.

Congressman Curry was importuned by many residents of this valley to take up this matter and with the assistance of a large petition forwarded to Washington asking that the warehouse be continued, he has made good.

Charley "Dimp" Byrnes, just elected Assemblyman of Marin County, has been chosen by Joe Solari to act as Captain of the Boyes Springs team and also play first base. Mr. Byrnes was identified with the teams of the Georgetown and Santa Clara Colleges.

Jansen "Sonoma's Pride" will be at Boyes with plenty of stuff.

Frank Walterstein, a guest of Art Hickman at Boyes Springs is one of the most brilliant song composers of the present day. He will demonstrate some of his latest compositions, principally "The Dreamy Glide," at the Sonoma Valley Furniture Co's music department, Tuesday afternoon at 3 to 4:30 p. m. Everybody welcome.

Fred Batto made his usual business trip to the city Tuesday.

Mr. and Mrs. Henry Hyde and son spent Saturday and Sunday on the Hyde tract.

Al Groskopf has purchased an up-to-date twin Indian motorcycle. It is certainly a beauty.

Walter Bundschu took Wednesday morning's train on a visit to friends in the metropolis.

Miss May Bosch was the guest of Mr. and Mrs. Peter Orsi in Sonoma the fore part of the week.

P. E. McDonald has rented the Mitchell place on the Hyde tract and will utilize it in raising poultry.

Mrs. August Figone and children were the guests of Mr. and John Batto on Saturdry and Sunday.

Messrs. Nestelle and Switzcamp are busily engaged in improving their property on the Napa road near Vineburg.

Frank Rahag is just completing a pretty cottage on the Hyde tract. This adds one more to that colony of handsome homes.

Otto Brandt of Schellville has purchased a handsome Perchon stallion. Its weight is 2 090 pounds and is a fine specimen of a draught horse.

Al Trautvetter of the Brookside Poultry Farm on the Hyde tract has successfully hatched out about 3000 young chicks and more eggs are in the incubators. He knows his business and attends to it.

Arthur Batto, William Dunn, Chas. Groskopf and Frank Groskopf enjoyed a fishing trip to the different streams on Sunday last, but from what we hear the fish are perfectly safe as they were not disturbed.

All my fair assistants are sore at me because I released Belle Brandon, the dream, and gave her over to Archie McKiver to help him report in El Verano. Now, Archie writes that Belle is a heiress. Don't worry girls. Just wait Maybe some of your rich relatives may die and leave you a dollar and a half. Who knows.

We are sorry to state that Jos. Groskopf is lying ill at the home of his parents on the Napa road. His large circle of friends all over the valley wish him a speedy and safe recovery to health again.

Sam Stahl, bus driver for Cantor's Villa, is sporting a new made to order cap which greatly becomes that young man.

Sam Cowan, a well-known and popular saloon man of Kenwood, was in town Monday shaking hands with his many friends.

Billy Freeman, a San Francisco mixologist of note, has accepted a position as bartender at the El Verano Villa for the summer season.

A train bulletin board is the latest improvement at the S. P. depot here, which is a great accomodation to the patrons of the railroad.

A. H. Kemp, our school principal, arrived here on a special train last Monday morning ready to get down to hard grind for another term.

Carlos Emparan, a well-known S. P. brakeman, passed through here Saturday evening en route to Sonoma. Carlos is now on the Sacramento division.

Willie Meehan, formerly an idol with the fight fans of Sonoma Valley, fought a poor draw last Friday evening in San Francisco with Jimmie Howard, an eastern pug. Willie is slowly descending down the ladder and getting his meal ticket as a boxer is about at an end.

Howard Knight, the new Deputy Assessor, was in town the fore part of the week. Mr. Knight makes a good impression and his many friends here are glad to see him in the political harness. Howard should have had Mont Akers turn over that white duster that he wore during his term as Deputy, as it is kind of hard to see the officer come into town without the old-time duster which made Mont Akers famous.

Last Wednesday a marriage license was issued at Santa Rosa to L. B. Parramont of San Francisco and Mrs. Genevieve Largenete, and the marriage ceremony was performed at that place. The happy couple returned to this place via the automobile route where a wedding supper was served by Mr. and Mrs Labre at their resort. The newly-weds will spend their honeymoon here and will then return to the metropolis.

A large number of Sonoma Valley's most prominent citizens went to Santa Rosa last Friday to be at the meeting of the Board of Supervisors. A large petition from the residents of this valley asking the board to rescind its resolution of February 7th, limiting the number of licenses to be issued in the district between Eldridge and Schellville to eleven and asking the Board to hear the petition for licenses from Paul Vannucchi, Mary Farrell, H. P. Mathewson and Joe Garoni. All these four have complied with the law and have thirty-five rooms. Why shouldn't they be granted their licenses?

MEAN JOURNALISM SEVERELY REBUKED

El Verano Development Association Resents With Asperity a Piece of Spite Work by a Local Paper.

There appeared in last Wednesday's Expositor what purported to be a correct official list of the contributors in this valley to the fund being raised for the relief of the flood sufferers in Ohio and Indiana.

The most generous contributor on the list was George Fetters, proprietor of Fetters' Hot Springs, who wrote $50.00 opposite his name on the subscription paper.

The Expositor was furnished by Mayor Cummings an official list for publication of the names of the contributors and the amounts subscribed by each. That paper was also given a written communication received by Mayor Cummings from the El Verano Development Association, one of the largest and most influential civic organizations in the Sonoma Valley, which took a leading part in collecting the funds, the representatives of which organization soliciting and receiving the contribution of $50.00 from Mr. Fetters, and whose name should have appeared along with the other contributors in the printed list published in the unreliable and spiteful columns of our contemporary. His name, however, did not appear, being designedly omitted and the word "Cash" substituted therefor opposite his $50.00 donation. Now, what do you think of that for low-down methods and spite work on the part of a public newspaper, even though it be the organ of a single individual in this valley to vent his spleen on those who refuse to worship at his shrine.

The expunging of the name of the most liberal donor from the published list of contributors as printed by the Expositor was very properly resented at a meeting of the El Verano Development Association held last Wednesday evening by the passage of the following set of resolutions which were adopted without a dissenting voice:

Whereas, Your committee appointed to collect funds for the flood sufferers, circulated a petition which was signed by the contributors and,

Whereas, Said petition was turned over to the Mayor of Sonoma and by him turned over to the representative of a local paper, which published the names with the exception of that of George Fetters, who contributed the sum of $50.00 and,

Whereas, Your committee deeply regrets this policy, mistake or accident, which resulted in the failure to give public credit to any person contributing to a public charity, now, therefore be it,

Resolved, That the Sonoma Index-Tribune be requested to publish a correct list of such contributors.

Resolved further, That a copy of this resolution be forwarded to the Editor of the Sonoma Index-Tribune.

T. H. BAINES,
Secretary.

County Bridge at Embacadero Collapses

The county bridge, opposite the Embarcadero Hotel, on Sonoma Creek, collapsed on Thursday of last week while a drove of cattle were going over the structure. The bridge gave away nearly in the centre. It was built over twenty years ago and was supposed to be in good condition. Seven steers in the band of cattle that went through the bridge were killed or so badly maimed they had to be shot to put them out of their misery.

The bridge has been impassable all the week and those having to pass that way in teams are compelled to ford the creek alongside the collapsed structure, and in doing so the water is so deep it completely covers the bed of all vehicles.

H L. Mitchell and Bill Hackmeier at Boyes Springs

A welcome consignment of "witty" freight landed at Boyes Hot Springs Friday evening, to the tune of "Boyes" which is published herewith: "I'm on the road, I'm on the road, I'm on the road to Old Boyes Hot Springs, where the fat men boil and are soon very lank and the gold fish swim in a large open tank. I'm on the train, I'm on the train, I'm on the train from San Francisco. Do you get my noise, I'm off for Boyes, B-O-Y-E-S is how you spell it. Oh come with me—and you shall see where the best place is on earth." After introducing this barn storming hit they have decided to stay a few days and await results. Mr. Mitchell returns to San Francisco to join the Nat C. Goodwin Co which is playing at the Cort Theatre.

Dance, pictures and general good time at "Boyes" nightly.

Items Gleaned by our Live Awake Reporter the Last Week

Joe Trusty was a visitor in Santa Rosa last Tuesday.

H. J. Trusty made a flying trip to the metropolis last Friday.

Mr. and Mrs. P. Bradley were visitors in Santa Rosa last Sunday.

Mr. and Mrs. G. Farrington spent last Monday in the City of Roses on business.

C. W. Smith, now foreman of the old Quein ranch, left with his wife for a two-weeks visit in San Francisco one day this week.

E. Sobbe left Monday to assume his new duties at the Santa Rosa roundhouse, where he will be employed as a wiper on the Northwestern Pacific railroad.

Before buying your next suit drop into A. Cheffer's clothing shop and examine his samples. Note his prices. You can save $2.50 to $10 00 on your next suit.

On the arrival of the Saturday morning's freight train Jack London received a carload of thoroughbred Jersey heifers. They are all pedigreed registered stock.

The Women of Woodcraft will give a grand ball at the Chauvet Hall next Saturday night, April 19. The hall has been beautifully decorated and a large crowd is expected.

C. Cepremi, a well-known shoemaker of Santa Rosa, has purchased the shop and stock of M. J. Mendalina and will conduct the same as a first-class shoe-repairing shop.

The Glen Ellen baseball team will cross bats with the Healdsburg nine in that city next Sunday. The local team will try its level best to redeem itself in this game.

W. McIssacs, well-known strawberry expert of Bennet Valley, was a visitor in town last Friday.

Mr. and Mrs. Wm. Craib (nee Theirkoff), who were married in Santa Rosa last week, left Monday morning for Vancover, B C., where the groom and his father are in the contracting business.

Dave Schieck, our local roadmaster, is busy filling in and grading the streets of our town. This is a much-needed improvement as their condition has been a disgrace to the community for years.

The Santa Rosa nine defeated the local team at that place last Sunday with a score of 17 to 5. The locals secured fourteen hits off Doc. Moskiman, but through errors on third baseman Kittler's part the home team could not win.

The dance which was given by the Sonoma Boys' Band last Saturday night done well considering the weather. These boys must advertise a week beforehand next time. Most of the people did not know of this affair until next day.

Happy wishes to mention for the benefit of Archie McKiver that Willie Block, who played with the local baseball team last Sunday, had his eye on the ball while up here and not on the fair sex. Bill connected with a nice hit the first time up.

Trout fishing has been very poor this season as Sonoma creek is overrun with the California hardmouth or pike, which devour both the spawn and young trout which the fish commissioners have placed in that stream from time to time. Happy would suggest that the owners of the various resorts in this valley appear before the fish commissioners and appeal to them to have the creek cleaned out late this summer by the use of dynamite to get rid of the pest. If this is done we will have crowds of anglers here each season. Will some one take this matter up?

HAPPY.

"Such shipments mean Studebaker has the confidence of the farmer"

Every year over one hundred thousand horse-driven vehicles are sold by *Studebaker*. Over a million Studebaker vehicles are always in use. Stop and think what that means.

This enormous output means that Farmers—the men who know—depend upon *Studebaker* wagons to do their work.

And a *Studebaker* wagon never fails. It is always ready to do a big day's work—and to keep on doing it. There are thousands of Studebaker wagons that have been in service from 20 to 40 years.

A *Studebaker* wagon is a real business asset. Wheels, body, frame, axles and running gear have been tested and retested by experts. You can buy cheaper wagons but they're not *Studebakers*, nor will they last like *Studebaker* wagons.

Whether in city, town or country, for business or pleasure, there is a *Studebaker* vehicle to meet your requirements. Farm wagons, trucks, contractors' wagons, buggies, surreys, runabouts, pony carriages, business and delivery wagons—each the best of its kind. Studebaker harness also, of every description.
